### Further reflection/discussion

What did you like about this passage?

What questions do you have?

What do we learn about people? God's heart?

What is something you need to ask/trust the Lord to help you to apply based on this passage?

What aspect of Paul's example is particularly encouraging to you? What is one aspect of Paul's example that is most challenging to you?

How has someone encouraged you recently? Or has that even happened?

Better yet, can you think of anyone who could use some encouragement?

To what extent would you say that the sail of your life is furled or unfurled?
